Junior Camp

Camp Keystone's Jr. Camp was designed specifically for children 3-5 years old. It was developed as a distinct, separate part of the program with its own schedule and developmentally appropriate activities.

Day Camp

Camp Keystone's Day Camp provides a traditional program for our 5-12 year old campers. Activities include swimming, boating, horseback riding, fishing, gymnastics, karate, go-carts, camp crafts, zip lines, and team sports among others.

Sports Camp

Sports Camp is for boys and girls 7-12. They learn the skills and fundamentals of soccer, flag football, basketball, and baseball. If you love coaching, teaching, playing sports, and helping kids build their confidence by learning and perfecting their skills, then Sports Camp is for you.

Pottery Camp

Pottery Camp is offered to campers 6-14. Pottery Camp is a full day program which includes a 2 hour pottery class combined with a half day of fabulous Camp Keystone program activities.

ASSISTANT COUNSELOR PROGRAM

Camp Keystone's Assistant Counselor program is a significant part of our entire camp program. **The program is offered to individuals who are 17 (by June 14, 2017) and have completed the 11th grade (proof of age required with application).**

The program provides teenagers the opportunity to work closely with children, peers and adults in a fun, recreational setting. It also provides a valuable opportunity to develop their leadership skills while being involved in camp-related activities. Throughout the summer program, Assistant Counselors will be paired with different Senior Staff members and Area Specialists to assist them with their responsibilities. While participating in the program, they will help supervise both individual groups of campers and specific activity areas. Depending on age and experience, Assistant Counselors with verifiable experience will earn a training wage.

BASIC REQUIREMENTS

Any staff member who has not reached his/her eighteenth birthday during the summer is required to obtain a work permit prior to your first day of employment. All Assistant Counselors must show proof of completion of the 11th grade. In addition, Assistant Counselors are required to attend all pre-camp meetings and at least 7 of the 11 weeks of camp (from June 26th-August 11th). There will be one group interview and a mandatory staff training session for all new counselors. **All of these meetings are mandatory.** Please do not ask us to make any exceptions.

TRANSPORTATION

Would you like to earn extra money this summer, on top of your salary? The transportation of campers to and from camp is an important part of our camp program. We are looking for responsible counselors to be Assistant Bus Supervisors on our air conditioned buses. All staff is encouraged to ride the bus, whether you are a Supervisor or not. Bus Supervisors will need to be on the bus from the beginning of the route until the end. Responsibilities include supervision of campers, song-leading, maintaining order, handling of all questions or problems as they arise on the bus so the driver can concentrate on the road, and otherwise assisting the driver as needed. You will ultimately be responsible for making sure all campers are present and accounted for, and get on and off the bus at their designated pick up point.

MANDATORY STAFF TRAINING/ORIENTATION

The Staff Training is mandatory for all staff members. It is the most important time for you to learn about your role in the camp program as well as a great opportunity to get to know the rest of the staff! The dates for Staff Training are June 10, 11, 12, and 13, 2017.
