

2017 Keystone Prime Membership Benefits

Keystone Prime is a membership based program that offers valuable enrollment advantages for its members! Introduced in 2016, Keystone Prime included benefits such as free schedule changes, carry over of missed camp days, and an invitation to a members' only Waterslide Party. We have added several new benefits and more value for you and your camper. We believe when you look at ALL the benefits of our Prime Membership program the choice is easy. Just consider the value of the family Waterslide Party; that alone makes this a great deal and when you add the other benefits it makes a phenomenal opportunity.

- **100% credit for up to 5 unused days (Value up to \$642)**
One of the most frustrating things for parents is dealing with NO REFUND policies at Summer Camp. Even with makeup days and schedule changes, campers miss days. Here is an easy way to receive a **100%** credit for the tuition paid for up to 5 missed days to use during Summer, 2018. No questions asked! Seriously, isn't it worth buying an insurance policy to save you the frustration? The only restriction is that you must email by 8:30am if your camper will be absent that day. Also, leaving early or arriving late on any given day will not apply. Non-transferable to any other camper, including siblings. (No cash refund, credit for cash value for 2018 only)
- **Special Keystone Prime *members only* party in Spring (Value \$100)**
To kick off the summer, we will be hosting 2 very special Keystone Prime *members only* waterslide parties for members and their immediate household family. Choose to attend one of our parties scheduled for Saturday, May 27 and Sunday, June 18.
- **Unlimited, no charge schedule changes (Average savings - \$40)**
Non-prime members receive two free schedule changes. Prime members receive unlimited changes at no charge. The average Prime member made 4 schedule changes in 2016. That's a savings of \$40! Schedule changes are subject to space availability in your camper's group, and if there's space, it's yours.
- **Priority make-up day scheduling (Priceless)**
Prime members, if they have notified the office through email, will get priority when scheduling make up days. Members' requests will take precedence over non-prime member requests and will be re-scheduled first, if there is space in your camper's group.
- **Prime member email address for priority service (Priceless)**
Prime member emails are always answered first. Your emails go directly to the head of the line so if you are impatient, this is a great benefit!!
- **Receive TWO Camp Keystone T-Shirts (Value \$20)**
Your kids will wear them proudly, or order an adult size for yourself!
- **Enter to Win Five (5) Days of Camp next summer! (Value up to \$642!)**
This is HUGE! Never before have we offered an opportunity to win free camp!! The lucky winner can use the 5 days in Summer, 2018, or give to an immediate household sibling.

Prime Memberships are \$119 per camper.

Membership applies to campers, not families. Each camper in a family must sign up for their own membership. Sibling memberships receive 10% off the Prime Membership price.
