

2020 Lunch Menu

Camp Keystone offers a hot lunch program for \$8.00 a day. Campers who want to take advantage of our freshly prepared lunches can do so in the following ways:

1. To pre-order lunch when registering online, just click the boxes for the days you would like to order lunch on the Additional Options page that is part of the application.
2. If you would like to pre-order lunch after you've already registered, just log into your Camp Keystone account at www.campkeystone.com/manage-your-campers. After you have logged in, click on Forms & Documents, then Additional Options and click the boxes next to the days you would like to order lunch. You must pay online with your debit/credit card if ordering lunches.
3. For your convenience, campers may also purchase their lunch each morning when they arrive at camp at the Welcome Booth.

Listed below is our Summer Lunch Menu**. Lunches usually consist of an entree (as listed), three sides (such as coleslaw, green salad, potato salad, fresh fruit, vegetables, or chips), and cookies or other dessert.
